Graduation year

☐ I am a high school senior applying for the 2027 scholarship.

Education program or school you plan to attend (undecided is OK)

Current GPA and scale (for example, 3.2 / 4.0)

Test scores and test name, if available

GPA and test scores provide context. They will not make or break your application. No minimum GPA or test score is required; you are not penalized for not having test scores.

Recommendation letter

Include one brief letter from someone who knows you well, such as a teacher, counselor, employer, coach, or community leader. Ask them to explain how they know you and share a specific example of your integrity, involvement, or care for others.

The writer should include their name and contact information. A short letter is sufficient; there is no minimum word count for the recommendation.

Tell us about your activities, work, family responsibilities, or service. Informal ways of helping others count; formal volunteer experience is not required.

Activities and involvement

Describe a time you showed integrity or helped someone. How are you involved at school, at home, at work, or in your community? What education program do you plan to pursue, and how would this scholarship help?

Personal statement: at least 100 words; aim for 100-200 words.

Your statement (attach a typed page if you need more room)

☐ I completed both pages and included my recommendation letter.

Return this packet through your counselor January 1 - February 15, 2027. If you applied online, do not submit this PDF too. Recognition, photos, and tournament participation are optional.

Your application and letter are shared with school staff handling submission and authorized AWV reviewers.
